

Did you know in 2018, there were 437,283 children in foster care and 23% of those children were African American.

In the foster care system, children of color are disproportionately represented and a majority of foster families are white. Please help us bridge the gap!

Contact Katie Boeving at kboeving@ffkids.org or 734-864-6398 for more information on becoming a foster parent!
